

Class 3

Autumn Term 2

Welcome to Class 3. Below is class information which we hope you will find useful for the term ahead.

English

We will be completing our work on the BFG and Tuesday. We will then be creating non-fiction texts based on giants and animals.

We will focus on the correct use of punctuation and varying our sentences for different audiences. Spellings will continue to be handed out each Friday.

Maths

This half term we will be focusing on using addition, subtraction, multiplication and division. We will work on our problem solving and reasoning skills in these areas.

Art

We will be exploring and experimenting with line and colour to create our own Bayeux Tapestry inspired comic strip timeline.

RE and PSHE

We will use Remembrance Day as a focus for creating poems. We will also be studying peace and conflict more widely.

Science

Our Science unit is States of Matter. We will be investigating solids, liquids and gases in detail.

PE

PE is on a Monday. We will be learning new skills and discussing how to keep our bodies safe and healthy.

Friday is swimming day.

Please make sure your PE kit and swimming kit are brought to school on the relevant days.

Topic

Our topic will continue to be 'The Battle of Stamford Bridge'. As part of this we will study the events and the evidence available to us.

Computing

We will be using technology across the curriculum to develop our skills. We will create animations, and use the internet to research.

Music and French

On Mondays, Mrs Bower and Mrs Naylor will teach these subject areas.
