Teacher/parent consultations

Friday 20th October 2.30pm
Sharing Assembly

Sand Hutton

Library Area

Thank you to everyone who is contributing to filling the library area at Sand Hutton with wonderful things. The librarians are doing a wonderful job. Every day we notice something new and exciting! Class Three have produced some amazing illustrations which are brightening up the Roald Dahl notice board! Homework is beginning to arrive and is populating the wall above the fish tank. It is all looking great.

Homework Boxes

At Sand Hutton you may have noticed some homework boxes. These are full of equipment which you might not have at home, but you might wish to use to produce some eye-catching work. For the next round of Learning Log homework, you will be able to sign one out to use over night or at the weekend. The work you produce with it will go in the book on display by the boxes. We are so looking forward to seeing what you produce!

Bags to School Collection 8th Nov

Please look out for your bag to fill with clothes etc that you may wish to donate

Harvest Produce

We would welcome your donation for Harvest from Monday.

Class 2 had a lovely time at the Railway Museum

Warhill

Over at Warhill the Junior Class have been getting their hands dirty! We have been creating our own mummies (using tomatoes) and burying them in tombs on the field. Back in the classroom, we continued with our Egyptian theme and mummified ourselves using toilet paper.

In the infants, the children immersed themselves in the traditional tale of The Three Little Pigs taking turns to play the Big Bad Wolf!
