**JOINT EVENTS** - Children from Years Five and Six are all very excited about their first residential school trip to Robinwood. They are looking forward to challenging themselves and using their team building skills. The adventurers will be joined by Mrs Pawson at some point, to be decided, on Tuesday or Wednesday! Please don't forget to be at Sand Hutton for 8.15am and have a well rested weekend to make sure you are as ready as you can be!

**Sand Hutton-** The new snack idea will begin next week, as a trial. Healthy snacks have been ordered and they should be ready for sale by Tuesday. It is thought that children will be limited to one snack at morning break. There is fruit, rice cakes and other products to test. Snack monitors will run this and contribute to the ordering process.

Class 3 will be going on a school trip to Tophill Low Nature Reserve, Driffield on 4<sup>th</sup> October further details to follow.

**Warthill-** The new snack idea will extend to Warthill, as the snacks will be brought across with Monday lunches. There will be snack monitors at Warthill who feed back to the Sand Hutton pupils regarding which snacks have sold well and need re-stocking. Hopefully this is something which will grow and pupils will be able to offer their own ideas for next steps.
