collected from church

Sand Hutton

Bags 2 School raised £136. Thank you to all our parents who delivered leaflets, collected bags and also made donations.

Message from Mrs Bower

ReadForGood!

We are very excited about the ReadForGood sponsor initiative that the children at Sand Hutton are taking part in. Hopefully you will by now have seen the sponsor card that your child/brought home.

I just want to encourage you to get involved. The lovely thing about ReadForGood is that it's fun and that all children can take part by choosing exactly what they want to read. Even share bedtime stories or comics count!

Here's a link for you to check out ReadForGood for yourselves.

<https://readathon.secure.force.com/sponsor/?accountId=0012000001Rf6JH&type=sponsorship>

The children are so looking forward to seeing their efforts helping children in hospitals and we are looking forward to hearing about the wonderful stories the children have enjoyed reading!

Enjoy the ReadForGood journey- wherever it takes you!

Remember all sponsor money needs to be in by April 12th!

Sand Hutton and Warthill News

The RNLI came to visit both schools to remind our children about staying safe near the water and on our beaches, since summer is coming they said...I do hope that they are right. Children had chance to learn which flags give us information about safe water sports and swimming. When they left, they were most impressed by the knowledge and behaviour of our pupils.

Warthill

Our children have been out and about in the village collecting frogspawn for their science topic on life cycles.

The Juniors have been taking part in the Litfilmfest project which aims to encourage and promote quality writing through the scripting, performing and the filming of a movie trailer. The children have worked extremely hard throughout the project and the end results are fantastic. As part of the scheme of work the children's videos will be entered in to a nationwide

competition. One of the prizes could mean that the children's work will be presented at Vue Cinema in York.

We hope everyone returns fit and healthy for Summer term after a term of ill health...pupils and staff.

Best wishes for Easter (not too many chocolate eggs!!)

**Kind regards
Beverley Pawson**
