

Sand Hutton and Warthill Federated
Church of England (VC) Primary Schools

Healthy Schools Statement - 2017

Rationale

As healthy schools Sand Hutton and Warthill are committed to helping pupils to do their best and build on their achievements.

We promote physical health and emotional well being by providing accessible and relevant information and equipping pupils with the skills and attitudes to make informed decisions about their health.

As healthy schools we understand the importance of investing in health to assist in the process of raising levels of pupil achievement and improving standards.

We aim to provide both a physical and social environment that is conducive to learning.
